BE IT FURTHER RESOLVED that the following conditions shall be placed upon this approval:

**CONDITIONS**

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The applicant or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicant shall submit the Mylar to Enumerations for addressing.
5. Applicant shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate, as approved by the El Paso County Planning and Community Development Department, shall be filed at the time of recording the plat.
8. Collateral sufficient to ensure that the public improvements as listed in the approved Financial Assurance Estimate shall be provided when the plat is recorded.
9. Drainage and bridge fees in the amount of \$32,112.50 and \$875.00, respectively, for Filing No. 2 shall be paid at the time of plat recordation.

10. The Applicant (s) agrees on behalf of him/herself and any developer or builder successors and assignees that Applicant and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 18-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
11. Park fees in lieu of land dedication for regional parks (Area 2) in the amount of \$5,472 and fees in lieu of land dedication for urban parks (Area 2) in the amount of \$3,456 shall be paid to El Paso County at time of plat recordation.
12. School fees in lieu of school land dedication in the amount of \$3,672 shall be paid to El Paso County for the benefit of Academy School District No. 20 at time of plat recordation.
13. Any future or subsequent development and/or use of the property shall be in accordance with the use, density, and dimensional standards of the RS-6000 (Residential Suburban) zoning district and with the applicable sections of the Land Development Code (2016) and Engineering Criteria Manual (2015) with exception to the minimum lot size. The minimum lot size shall be no less than 10,000 square feet, which is consistent with the associated rezoning request (P-16-004) requiring the same.
14. The overall cap for residential lots within this final plat area and associated sketch plan (SKP-16-001) area shall be limited to 56 residential dwelling units.
