Hello,

I am currently involved in a commercial building project (Variance of Use) in El Paso County, CO. The El Paso County Planning Department is requesting a clearance letter from your department. I am assuming that has to do with any endangered species in the area - of which I know of none.

Property address: 2290 Old Ranch Rd., 80908.

Please let me know the steps I need to take to furnish the County with a letter.

Thank you,

John Hotchkiss
