Colorado Springs, CO 80919

Ensure the letter includes the parcels included in the request.

Also per the Code, the letter should include a statement by the wastewater provider that adequate capacity exists or will exist in order to provide service.

RE: Water and Wastewater Service – Cloverleaf Subdivision  
See Attached Sketch

Dear Mr. Bramlett:

The above referenced development, as depicted in the attached sketch, is currently located within the service boundaries of the Woodmoor Water and Sanitation District No. 1 (the District). The District is committed to providing water and sewer services to the development in accordance with any existing development agreements for the development, and all District rules, regulations, specifications and policies regarding water and wastewater service.

If you should have any questions or need further assistance, please contact me.

Sincerely,

Jessie J. Shaffer  
District Manager

Cc: Ariel Hacker – District Engineer  
Gary Potter – Operations Superintendent
