DESCRIPTION OF THE REQUEST: (attach additional sheets if necessary):

According to the EPC-issued Zoning Verification Letter dated November 13, 2025, a Self Storage Facility is a permitted use within the (CC) Commercial Community zoning district, subject to a Special Use Permit. However, as stated in Section 8 of the letter, the Special Use Permit was not finalized prior to the Site Plan Development approval due to an oversight by EPC staff. As a result, the County did not enforce the Special Use Permit requirement unless the property owner(s) apply for a future amendment or new building permit, at which point compliance with the Special Use Permit process will be required at the time of application.

This application seeks approval of the Special Use Permit, independent of any concurrent building permit or amendment, solely to achieve full compliance with applicable zoning regulations.
