Report No. 1, Tests 1 – 9

Dear Mr. Sherwood:

As requested, personnel of Entech Engineering, Inc. have performed asphalt testing at the above referenced site.

Asphalt testing on this site was performed on May 4, 2018. The tests indicate that the materials have been properly compacted at the depths and locations noted. Results of the asphalt tests are attached with this letter.

We trust that this has provided you with the information you require. Should you have any questions or need further information, please do not hesitate to contact us.

Respectfully submitted,
