### Agenda Item Summary Form

**Agenda Item Title:** Forest Lakes Filing No. 7 Final Plat

**Agenda Date:** January 12, 2022

**Agenda Item Number:**

**Presenter:** Ross Williams, Park Planner

**Information:** **Endorsement:** X

#### **Background Information:**

This is a request by Classic Consulting Engineers & Surveyors, LLC, on behalf of FLRD #2, LLC, for approval of the Forest Lakes Filing No. 7 Final Plat, which consists of 79 single-family residential lots on approximately 82.5 acres. The Forest Lakes development is located west of the Interstate 25 and Baptist Road interchange on Forest Lakes Drive, surrounding Beaver Creek, Bristlecone Lake, and Pinon Lake. Filing No. 7 is a part of Forest Lakes Phase II PUD Preliminary Plan, which was endorsed by the Park Advisory Board in February 2018 and approved by the Board of County Commissioners in April 2019.

The El Paso County Parks Master Plan (2013) shows no open space, park facilities, or trails directly impacted by or within the project area. The proposed Forest Lakes Secondary Regional Trail, which has connections to the existing New Santa Fe Regional Trail and the proposed Baptist Road Bicycle Route, is located approximately 0.25 mile north of the project site. When completed, the Forest Lakes Trail will ultimately connect the New Santa Fe Regional Trail to Pike National Forest lands immediately west of the Forest Lakes community.

The Open Space Master Plan of the Parks Master Plan shows both the Foothills and Forest Lakes Candidate Open Spaces encompassing or immediately adjacent the project site, respectively. Natural resource values within the Forest Lakes area are concentrated around wildlife habitat, primarily for the Preble's Meadow Jumping Mouse (PMJM, a federally threatened species), as well as herbaceous, grassland, and riparian vegetation. This area contains habitat parameters likely critical to the mouse persistence. The Foothills area represents a significant transition between diverse natural attributes of the High Plains and the complex elements of the Front Range mountain habitats. The U.S. Fish and Wildlife Service has issued a clearance letter to the developer allowing for the formation of residential lots outside of the 300-foot PMJM habitat zone.

The Forest Lakes Phase II PUD Preliminary Plan contains 201 acres of open space, far exceeding the 10% PUD open space requirement. Filing No. 7 contains 51.64 acres of open space, comprising 62% of the filing. Tract A, at 36 acres in size, contains an interconnected network of internal trails with varying degrees of difficulty, providing for a wide range of hiking opportunities for the residents of Forest Lakes. Staff appreciates Forest Lakes' continuing efforts to provide recreational amenities for its residents and the citizens of El Paso County.

County Parks acknowledges the waiver of regional park fees as outlined in the PAB-endorsed recommended motions for 2001 Forest Lakes Phase I PUD Preliminary Plan as well as the 2003 Forest Lakes Filing No. 1 Final Plat for the developer's construction of the Forest Lakes Secondary Regional Trail. Furthermore, staff recommends urban park fees in lieu of land dedication for urban park purposes. Should the developer indicate their intention to submit a request for a Park Lands Agreement to address credits against urban park fees for Filing No. 7, staff will review the agreement, and if acceptable, will submit it for endorsement by the Park Advisory Board, prior to the recording of the Final Plat. If no park lands agreement is requested, total final plat urban park fees would amount to \$22,910.

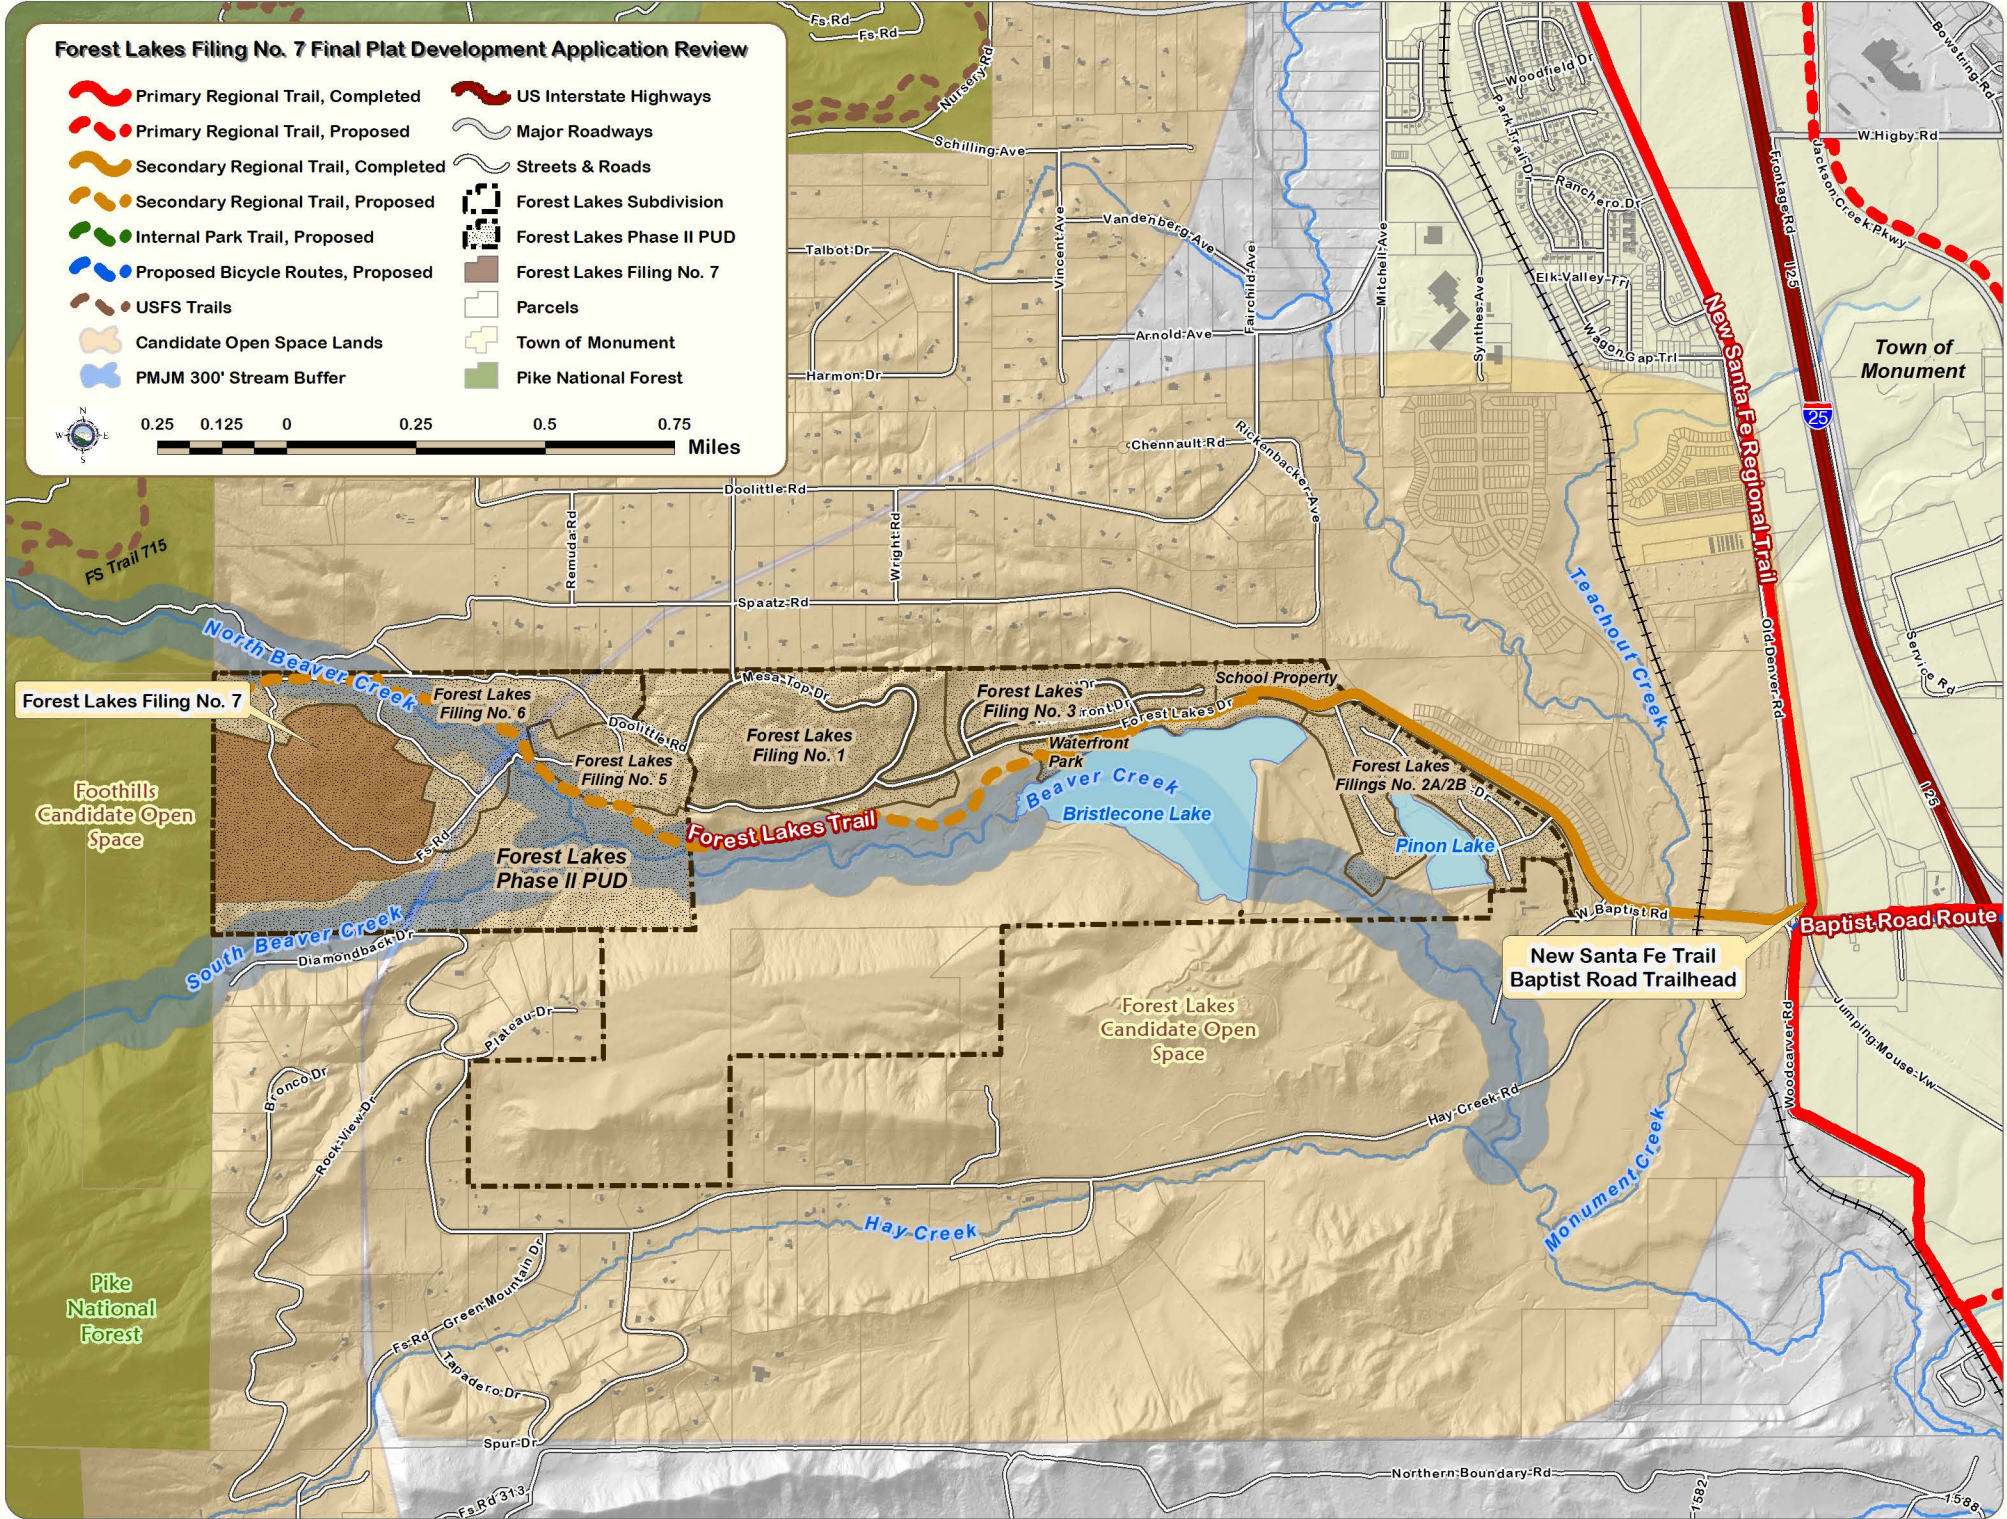

**Recommended Motion (Filing No. 7 Final Plat):**

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Forest Lakes Filing No. 7 Final Plat: (1) regional park fees are not required pursuant to the existing Forest Lakes Phase I PUD Preliminary Plan and Filing No. 1 Final Plat recommended and endorsed motions; (2) require fees in lieu of land dedication for urban park purposes in the amount of \$22,910. A Park Lands Agreement may be an acceptable alternative to urban park fees, provided the agreement is approved by the County and executed prior to recording the Final Plat.
