Description of the request: (attach additional sheets if necessary):

We are requesting administrative relief for the set back requirement of our residence located within an R-T zoning district. The residence and detached garage was constructed in 1956. Current zoning setbacks for this area are 25' for front and sides of structures, and 5' for the rear side of structures. Our garage meets these setback requirements with the exception of the rear of the building which measures 4'8" from the property line per a lot survey from 1995.
