Wild Blue Cats, PPR-19-055

Please accept the following comments from El Paso County Public Health for the special use request referenced above:

- Water and wastewater services are provided by an individual private well and an approved onsite wastewater treatment systems (OWTS) approved for the residence. In 2019 a restroom has added to the outbuilding and connected to the residence existing OWTS. The outbuilding was first connected to a new 1,000-gallon septic tank and then attached to the existing OWTS. All work was permitted approved by El Paso County Public Health.
- El Paso County Public Health recommends all cat food be contained in plastic bins with tight fitting lids to help minimize rodent attraction to help protect cats and workers from rodent harbored diseases.
- El Paso County Public Health recommends all cat waste be properly bagged and disposed of routinely to help minimize odors and insect attraction.
