SCHUETTELZ moved that the following Resolution be adopted:

BEFORE THE PLANNING COMMISSION

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. VR2314
THE SHOPS FILING NO. 2 AT MERIDIAN RANCH

WHEREAS, Hunjan Gas Stations, LLC and Shops at Meridian Ranch, LLC did file an application with the El Paso County Planning and Community Development Department for approval of a Vacation and Replat request to replat 2 commercial lots from 1 commercial lot, resulting in a net increase of 1 commercial lot within the CR (Commercial Regional) zoning district for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by this Commission on July 18, 2024; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the Master Plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission;
2. Proper posting, publication, and public notice were provided as required by law for the hearing before the Planning Commission;
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted and that all interested persons and the general public were heard at that hearing;
4. All exhibits were received into evidence;

5. The proposed land use does not permit the use of an area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor;
6. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County subdivision regulations; and
7. For the above-stated and other reasons, the proposed Vacation and Replat is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

WHEREAS, in approving a Vacation and Replat of a Subdivision, the El Paso County Planning Commission and Board of County Commissioners shall find that the application meets the criteria of approval listed in Section 7.2.3(C)(4) of the Land Development Code ("Code") (as amended):

1. The Replat complies with the Code and the original conditions of approval associated with the recorded Plat;
2. No nonconforming lots are created, and in the case of existing nonconforming lots, the nonconformity is not increased;
3. The Replat is in keeping with the purpose and intent of the Code;
4. The Replat conforms to the required findings for a Minor or Major Subdivision, whichever is applicable;
5. Legal and physical access is provided to all parcels by public rights-of-way or recorded easement acceptable to the County in compliance with the Code and the Engineering Criteria Manual ("ECM");
6. The approval will not adversely affect the public health, safety, and welfare; and
7. Where the lots or parcels are subject to any CC&Rs or other restrictions, that any potential conflict with the CC&Rs or other restrictions resulting from the Replat has been resolved.

WHEREAS, a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code.

NOW, THEREFORE, BE IT RESOLVED, the El Paso County Planning Commission recommends that the petition of Hunjan Gas Stations, LLC and Shops at Meridian Ranch, LLC for approval of a Vacation

and Replat to allow 1 commercial lot to be replatted into 2 commercial lots within the CR (Commercial Regional) zoning district be approved by the Board of County Commissioners with the following conditions and notations:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. Applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at Final Plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
8. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, dated June 5, 2024, as provided by the County Attorney's Office.

9. A development agreement between El Paso County and Shops at Meridian Ranch, LLC for the installation of the traffic signal at the intersection of the private drive on the east side of the subject property and Stapleton Road shall be completed and recorded prior to approval of any Site Development Plan application within the boundaries of the subdivision.

NOTATIONS

1. Final Plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.

AND BE IT FURTHER RESOLVED that this Resolution and the recommendations contained herein be forwarded to the El Paso County Board of County Commissioners for its consideration.
