The El Paso County Planning and Community Development Department Director, therefore, APPROVES the final plat application for Sterling Ranch East Filing No 2.

The following conditions and notations shall be placed upon this approval:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicants shall submit the Mylar to Enumerations for addressing.
5. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding

the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.

6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate as approved by the ECM Administrator, shall be filed at the time of final plat recordation.
8. Collateral sufficient to ensure completion of the public improvements as listed in the approved Financial Assurance Estimate shall be provided at the time of final plat recordation.
9. The subdivider(s) agrees on behalf of him/herself and any successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would disclose the fee obligation before sale of the property.
10. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, dated 3/03/2023, as provided by the County Attorney's Office.
11. Regional park fees (Region 2) in lieu of land dedication in the amount of \$19,320.00 and urban park fees (Urban Area 2) in lieu of land dedication in the amount of \$12,180.00 shall be paid at the time of final plat recordation. A park lands agreement shall be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.
12. Drainage and bridge fees for the Sand Creek basin, in the amounts of \$126,584.79 and \$51,774.30, respectively, apply to this subdivision. In accordance with the Development Agreement recorded at reception number 222098865 (PCD project number DA221), collateral for the Sand Creek Channel Improvements (PCD project number CDR204) has been provided, which collateral satisfies the requirements of LDC Section 8.5.5(C)(3)(b)(ii) and offsets the drainage fees. Collateral shall be provided for the Briargate Parkway bridge (PCD project number CDR2113) in order to offset the bridge fees.
13. A License Agreement shall be filed at the time of Final Plat recordation if needed for any landscaping, street lights, mail kiosks, underdrain system, or other private or district facilities to be located in the County right-of-way.

14. Because Sterling Ranch East Filing No. 1, Sterling Ranch East Filing No. 2, and FourSquare at Sterling Ranch are dependent on public improvements between them, approvals of all construction drawings, agreements, and financial assurances for all three subdivisions are required prior to recording any of the three plats.
 - a. Financial assurances for the construction of Briargate Parkway from Sand Creek to Sterling Ranch Road (PCD project number CDR221) shall be provided prior to recording any of these three final plats.
 - b. Financial assurances for the construction of the Briargate Parkway Bridge over Sand Creek (PCD project number CDR2113) shall be provided prior to recording any of these three final plats.

15. The Detention Basin/Permanent BMP Maintenance Agreement, including the O&M manual, shall be signed and returned prior to construction and filed at the time of final plat recordation.

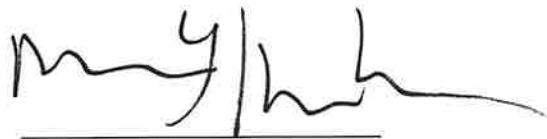

NOTATIONS

1. Approval of the final plat will expire after twenty-four (24) months unless the final plat has been recorded or a request for extension has been granted.

2. Academy District 20 is requesting land dedication in lieu of fees within the overall Sterling Ranch Sketch Plan Area.
