Dear Ashley Jones,

Payment of the remaining balance for your child care facility plan review has been received, and L&L Play Land is approved for child care licensing from El Paso County Public Health. This facility is approved for operation.

Please see the inspection report from the pre-operational inspection conducted on 9/22/2026 to see the approval criteria, including the number, age group, and type of rooms that were approved. A routine inspection will be conducted on or around 30 days after the facility begins operation.

If you have any additional questions or concerns, please contact us at (719) 578-3199.
