Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- **No water, private or public currently serves the property. No water or wastewater service is currently planned for the site.**
- **Portable toilets, if used, for use by customers are approved for temporary use only. Portable toilets must be serviced to assure sanitary conditions are maintained.**
- **The water quality detention basin must have mosquito control responsibilities included in the maintenance plan and designed to help control mosquito breeding habitat and minimize the potential for West Nile Virus.**
- **Earthmoving activity more than one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.**
