Petra,

I am chairman of the Black Forest Land Use Committee. I have been reviewing this proposal on the public EDARP site because it was sent to my "tstokka@juno.com" account instead of my "tastokka@gmail.com" address. If the gmail account is not used, I am not able to make comments on EDARP.

The land use committee has no objections to this proposal.

For future proposals, my "tastokka@gmail.com" address is the correct one to use.

Terry Stokka
