This project proposes a lot line vacation and lot line adjustment of Lots 1, 2 & 3, Bent Grass East Commercial Filing No. 3. The three noted lots are to be replated as two for commercial use, consistent with the development plan for the area. **No other changes to the plat are being proposed.**

Water and wastewater service will be provided by Woodmen Hills Metropolitan District, Electric service by Mountain View Electric Association (MVEA) and Gas service by Colorado Springs Utilities (CSU). Utility stubs have been installed onto the property and will be utilized for construction.

Regards,

Bucher Design Studio, Inc.

Please address existing Plat #15062 Note #25 and if the two new lots will have a shared access and cross lot easement
