Subject: The Villas at Claremont Ranch (SF2228)

Ryan,

The Community Services Department has reviewed the Villas at Claremont Ranch Final Plat application and is providing the following preliminary comments on behalf of El Paso County Parks. This application will be presented to the Park Advisory Board on October 12th and its recommendation will be provided after the meeting.

This is a request by N.E.S Inc. on behalf of Phi Real Estate Services LLC for final plat approval for 83 single-family lots, 5 tracts, and public rights-of-way on 10.17 acres. The project site lies north of Meadowbrook Pkwy and east of Marksheffel Rd. Existing residential development is located to the east, and Sand Creek is located to the north.

The Villas at Claremont Ranch PUD Development/Preliminary Plan for 83 attached single-family lots was approved in June 2022. The proposed final plat is in general agreement with the previously approved PUD, and includes a replat of Tract A of Claremont Ranch Filing No. 7 (0.44 acres) and Tract G of Claremont Ranch Filing No. 7 (9.73 acres).

PUD zoned developments require a minimum of 10% open space dedication. This development features 4.48 acres of usable open space tracts out of the 10.17 acre filing, which does not include the detention pond. This equals 44% open space which exceeds the standard open space dedication requirement. Staff also notes the plan features an interconnected network of sidewalks and a trail that provide will provide access to the proposed Sand Creek trail to the north. All open space will be maintained by an HOA.

The 2013 Parks Master Plan shows the proposed Marksheffel Bicycle Route running north-south along Marksheffel on the west side of the development. The proposed City of Colorado Springs N. Chelton Rd to N. Academy trail is 0.7 miles north of the development. Dedicated public rights-of-way already exist along the Marksheffel bicycle route, so no easement requests are necessary.

Parks staff recommends fees in lieu of land dedication for regional park purposes. Park fees will be required upon recording of the final plat. Again, this application is scheduled for El Paso County Park Advisory Board consideration on October 12th and its recommendation will be provided after the meeting.

Recommended Motion:

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Villas at Claremont Ranch Final Plat: require fees in lieu of land dedication for regional park purposes in the amount of \$38,180 and urban park fees in the amount of \$24,070.

Sincerely,
