Agenda Item Title: Meadowbrook Crossing Preliminary Plan and Final Plat

Agenda Date: June 14, 2017

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

Request for approval by Thomas & Thomas on behalf of Meadowbrook Crossing, LLC, for Meadowbrook Crossing Preliminary Plan and Final Plat, consisting of 114 single-family residential lots and open space tracts on 32.27 acres. The property is zoned RS-5000, and is located at the intersection of East Highway 24 and Meadowbrook Parkway.

The El Paso County Parks Master Plan (2013) shows no open space, park facilities, or trails directly impacted by or within the project area. The project site is located on the northwest side of Highway 24 East, near the intersection of Highway 94. The proposed Highway 94 Secondary Regional Trail and the proposed Highway 94 Bicycle Route begin at this intersection and travel east, away from the project site. Lastly, the Falcon/Garrett Road Candidate Open Space land is located .5 mile to the east of the project site.

Open space dedication is not required under the El Paso County Land Development Code for subdivisions that are not under PUD zoning. However, the proposed plat contains 498,305 square feet or 11.44 acres of open space, which is 35.5% of the total project area. The plan does show a future dog park in Tract F whose development is contingent on available future funding and construction of a bridge across the East Fork of Sand Creek.

The surrounding neighborhood offers a 9-hole golf course located .25 mile west of the project area and two elementary school playgrounds, each located .75 mile from the project site. El Paso County Parks staff encouraged the developer to explore urban park options in the form of a pocket park or other recreational opportunities and provided information on the Urban Park Grant Program. The project is served by the Meadowbrook Metropolitan District, which could apply for an Urban Park Grant to supplement the funding and construction of the dog park and other park amenities.

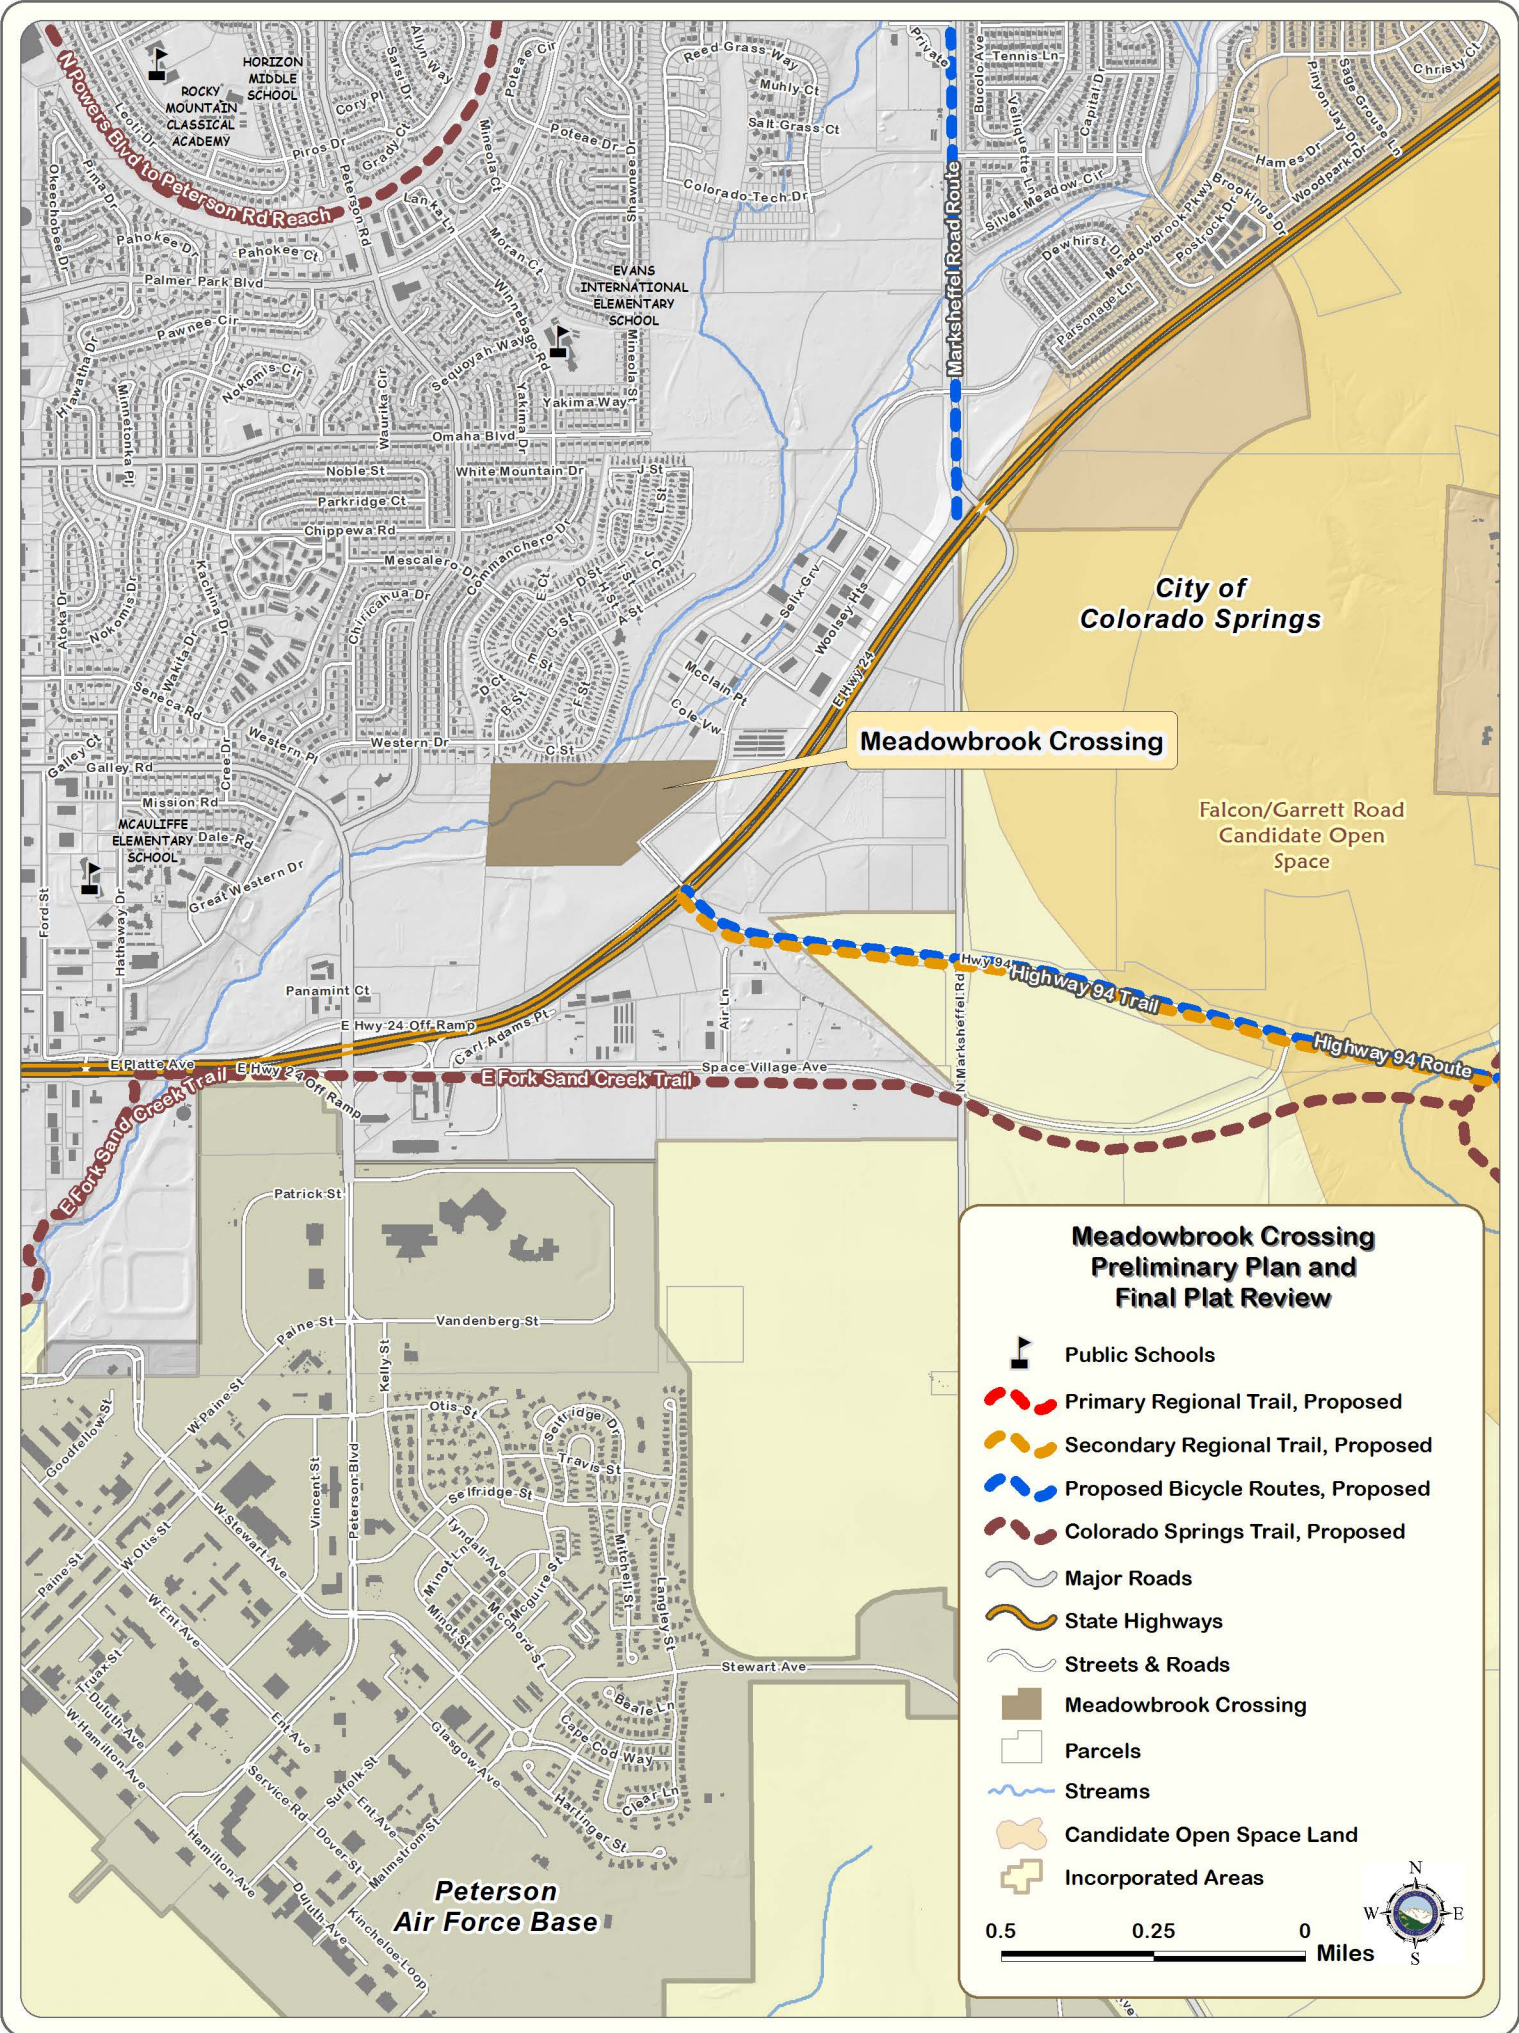

Staff recommends fees in lieu of land dedication for regional park purposes in the amount of \$46,398 and urban park fees in the amount of \$29,298.

Recommended Motion (Preliminary Plan):

Recommend to the Planning Commission and Board of County Commissioners that approval of the Meadowbrook Crossing Preliminary Plan include the following condition: require fees in lieu of land dedication for regional park purposes in the amount of \$46,398 and urban park fees in the amount of \$29,298.

Recommended Motion (Final Plat):

Recommend to the Planning Commission and Board of County Commissioners that approval of the Meadowbrook Crossing Final Plat include the following condition: require fees in lieu of land dedication for regional park purposes in the amount of \$46,398 and urban park fees in the amount of \$29,298.
