**SUBJECT: Rollin Ridge Filing No. 1 Subdivision
Detention Basin Certification Letter**

Ladies and Gentlemen:

Drainage improvements for this project include two on-site private Detention Basins. Based upon information gathered from periodic site visits to the project, JPS Engineering, Inc. is of the opinion that the Detention Basins have been constructed in general compliance with the approved design plans as filed with El Paso County. The As-Built drawings accurately depict the final installation of the Detention Basin improvements and verify the detention volume provided.

Sincerely,
JPS Engineering, Inc.
