

El Paso County, Colorado,

In response to review comments made on July 14, 2022:

1. Please include a legal description of property (found on assessor site)

Legal description from assessor site added and clouded in the applicable codes/reference documents section on sheet T-1.

2. Please include lot/parcel size.

Sheet C-1.1 has been updated to include the full parent parcel, setback dimensions from the tower to the property lines, and length dimensions at each section of the parcel lines. Legal description of current lease area added to the top left corner of sheet C-1.1. Sheet C-1.1 has been clouded to show where the changes occurred.

3. Please include a signature block for PCD staff 1-2 inches.

A 2 inch signature block clouded and labeled Approvals, has been added to the bottom left corner of sheet T-1 .

Sincerely,

Tower Engineering Professionals, OPCO. (TEP)
