Electrical hookup by others.  
Electrical requirements: 120V (or as indicated)  
All landscaping by others

This conceptual illustration is designed to provide a view of how the sign might look in it's chosen location. Due to variables in digital photography, architectural renderings and unforeseen structural obstacles, the ratio of the finished sign to the area it is installed in may appear slightly different from the illustration. Colors shown are representative of the actual color code chosen. Variables in monitors, printers, inks and paper will alter how these colors appear on the drawing. Please refer to the actual color codes prior to approval.
