To Whom It May Concern,

I am writing on behalf of Tammy Smith who lives at 16625 South Peyton Highway, Colorado Springs, Colorado 80928. Tammy is currently caring for two male clients in her home, one of whom is a provided day services with our agency, Shiva Enterprises LLC. These individuals have intellectual and developmental disabilities. Tammy's neighbor across the street is seeking a zoning change from rural residential to agritainment. There are concerns that this change will have a negative impact on her home by creating more noise and traffic which will adversely affect the participants living in her home. I would ask that you take this into consideration before approving this zone change. Thank you for your consideration.
