**Subject: Walker Reserve Minor Subdivision Review #4 (MS-19-004)**

Hello Nina,

The Planning Division of the Community Services Department has reviewed the development application for the Walker Reserve Minor Subdivision, Review #4, and has no additional comments on behalf of El Paso County Parks at this time. Please refer to the original review comments below, as presented to and endorsed by the Park Advisory Board on May 7, 2019:

*“Request by Alessi & Associates., Inc on behalf of G3 Investments, INC. for approval of the Walker Reserve Minor Subdivision. The property is located along Walker Road, immediately northeast of its intersection with SH 83. The property is located within the Black Forest Preservation Plan.*

*The Walker Reserve Minor Subdivision comprised of (3) residential lots on 40.77 acres is zoned RR-5, with a minimum lot size of 5.10 acres. The property is located along Walker Road, immediately northeast of its intersection with SH 83. The project is located within the bounds of the Black Forest Preservation Plan.*

*The 2013 El Paso County Parks Master Plan does not show any park or trail facilities impacted by the project. The proposed on-street Walker Road Bicycle route traverses east-west on SH 105/ Walker Road, ¼ mile south of the proposed residential lots. Furthermore, the proposed Cherry Creek Regional Trail runs north/south adjacent to SH 83, ½ mile west of the Walker property.*

*The Park Advisory Board does not review and endorse minor subdivision applications, so these comments are provided administratively.*

*Staff has the following recommendations for the Walker Reserve Minor Subdivision Plan: Recommend to the Planning Commission and Board of County Commissioners that approval of the Walker Reserve Minor Subdivision include the following condition: require fees in lieu of land dedication for regional park purposes in the amount of \$1,368.”*
