
Environmental Health Review Comments

PPR2617: Xcel PowerPathway Segment 5 Site Development Plan (Only includes Grading & Drainage Plans for approval)

Please accept the following comments from El Paso County Public Health (EPCPH) regarding the project referenced above:

- Installation of new power lines and substations throughout county.
- Earthmoving activity in excess of one acre, but less than twenty-five acres, will require a Construction Activity Permit from El Paso County Public Health. Visit <https://www.elpasocountyhealth.org/licenses-permits-inspections-water-testing/air-quality/> for additional information.

For any additional questions or comments, please contact us at HEAEH_Landuse@elpasoco.com. While every effort is made for timely responses, allow 2 to 3 business days for a response from our field staff.
