Public Service Company of Colorado, a Colorado corporation conducting business as Xcel Energy, provided the Final 1041 Application Narrative Section 2.303 as a component of the Areas and Activities of State Interest Permit Application for Colorado's Power Pathway (Pathway), uploaded to El Paso County's Electronic Development Application Review Program (Project File Number AASI231). See the Final 1041 Application Narrative Section 2.303 uploaded to EDARP on 5/15/2025. As stated in Section 2.303(5)(d), given the small area occupied by the transmission poles, landscaping is not proposed as part of Pathway. As no landscaping is proposed as part of Pathway, no Landscape Plan Drawings are provided.
