M&S will get the as-builts wrapped up (namely the pond stuff) and submitted to EDARP.

NOTICE – this message originated from an External Sender

Attached is the Paint Brush Hills Filing 13E- Stormwater FA punchlist. I will upload this to the PL2027 file in EDARP. All we need are the As-built and the contact information for who is taking over maintenance for the PBMP. The ESQ will remain open until the two areas noted on the punchlist are stabilized. Please let me know when you receive this email.

Kindly,

NOTICE – this message originated from an External Sender

All,

Attached is the Paint Brush Hills Filing 13E- Stormwater FA punchlist. I will upload this to the PL2027 file in EDARP. Please have all the items completed within six months of 03/07/2024. If all items are not completed in this time a new punchlist will be created. When all items are addressed please reach out to me so I can come out to the project to confirm. Please let me know when you receive this email.

Kindly,

NOTICE – this message originated from an External Sender

Jeff,

According to the stormwater department they have not heard if there punch list has been completed yet and I cant move forward with the acceptance or release until I receive the punch list completion memo for them.

Thank you

Dylan,

Have you set up an Edarp portal so we can upload the asbuilts?

Jeff,

EPC Edarp wants us to upload "Utilities Acceptance Letters". Did you ever receive these for PBH 13E?
