

## Letter of Intent

This 35-acer property directly borders the national forest, where illegal camping and shooting frequently occur. My objective is to encourage lawful and peaceful recreational activities by offering authorized dispersed camping. This initiative aims to support the national forest, contribute to wildlife conservation efforts, assist with fire mitigation, support wholesome family activities, neighbors and the surrounding businesses near this property.

Sincerely,

A handwritten signature in black ink, appearing to be 'Angela Gregg', with a long horizontal flourish extending to the right.
