Ashlyn,

There was an EA meeting back in May regarding 5205209004 in which you were involved. Nina Ruiz set that up. I'm not sure if a submission request for the minor sub was ever established, but the owner has engaged with MVE to complete this project. If a submission request was done, the owner does not have access. Can you help me with either making a submission request or adding me as a contact to that project? Also, if I need to ask someone else, please let me know. Thanks.
