Project Description:

The project will consist of a cemetery at the north portion of the lot with dimensions 376' long by 71' wide (26,696 s.f.), the construction an open memorial pavilion (28' x 28') within the footprint of the cemetery, and the construction of wood framed pergola structures at the west forecourt, the northeast patio, and the southeast patio of the church. Included in the site plan is an area set aside for a maintenance/storage building building for use for the cemetery. The proposed cemetery and accessory structures will not increase the required parking. The existing driveway ingress/egress and parking lot will remain. There is no expected grading required for the cemetery and the associated accessory structures. The proposed cemetery will have no significant increase in traffic generation.

Overlay Zoning:

CAD-O. The property is located in the Commercial Airport Overlay District (CAD-O). The purpose of this overlay district is to insure that there will be no increase in hazards to air navigation. The proposed cemetery will not have an adverse impact on air navigation.

Permitted use under RR-5 zone:

A cemetery is a Special Use as listed in Table 5.1 of the Land Development Code of El Paso County, Colorado. A Site Development Plan is required to initiate use. Cemeteries are a Special Use that may be considered in the following zones: F-5, A-35, A-5, RR-5, RR-2.5 and RR-0.5. The last two zone districts have a minimum area requirement of only 2.5 acres. The proposed Memorial Pavilion, maintenance building, and the wood framed pergolas are accessory uses.

Surrounding Area and context:

The surrounding area is generally residences on 5 acre lots . The property across the street on Mohawk is a school use for the public school system. There are other church uses in the surrounding area. The entire lot is owned by the church. The surrounding properties are 5 acre lots and will not be adversely affected by the establishment of a cemetery.
