### **3750 Hill Drive Vacation and Replat, VR-23-8**

**Please accept the following comments from El Paso County Public Health regarding the project referenced above:**

- **El Paso County Public Health noted that the existing onsite wastewater treatment system (OWTS) was installed and approved in 1975. A sufficient area must be reserved for the replacement of the existing soil treatment area.**
- **The existing soil treatment area must be located and protected from compaction and damage during the construction activity associated with the proposed new garage.**
- **No other public health issues were identified.**
