Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Jimmy Camp Creek East Interceptor
Project Number: CDR-17-006
Description: Lorson, LLC is requesting approval of the East Jimmy Camp Creek Interceptor Sanitary Sewer construction located south of Fontaine Boulevard and east of Jimmy Camp Creek in Section 14 & 23, Township 15 South, Range 65 West. This project is to start in November 2017 and be completed in summer 2018.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning line extensions, system improvements and payments, if needed, can be obtained by contacting the Engineering Department of MVEA.

MVEA request continued notification and coordination as to the needs and requirements in order to construct this project in the most cost effective and time sensitive manner. MVEA has existing facilities near and within this area. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
