- Mailboxes shall be installed in accordance with all El Paso County and United States Postal Service regulations.
- The subdividers agree on behalf of him/herself and any developer or builder successors and assigns shall be required to pay traffic impact fees in accordance with the countywide transportation improvement fee (Resolution No. 16-454) as amended at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording shall be documented on all sale document's and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
- Pursuant to Resolution \_\_\_\_\_, approved by the Board of Directors, El Paso County Public Improvement District \_\_\_\_\_ and recorded in the records of the El Paso County Clerk and Recorder at Reception Number \_\_\_\_\_, the parcels within the platted boundaries of (subdivision) are included within the boundaries of the El Paso County Public Improvement District \_\_\_\_\_ and as such is subject to applicable road impact fees and mill levy.
- Individual wells are the responsibility of each property owner. Permits for individual wells must be obtained from the State Engineer who by law has the authority to set conditions for the issuance of these permits. Water in the Denver Basin Aquifers is allocated based on a 100-year aquifer life; however, for El Paso County planning purposes, water in the Denver Basin Aquifers is evaluated based on a 300-year aquifer life. Applicants and all future owners in the subdivision should be aware that the economic life of a water supply based on wells in a given Denver Basin Aquifer may be less than either the 100 years or 300 years indicated due to anticipated water level declines. Furthermore, the water supply plan should not rely solely upon non-renewable aquifers. Alternative renewable water resources should be acquired and incorporated in a permanent water supply plan that provides future generations with a water supply. Water withdrawal and wells are subject to limitations, restrictions and augmentation requirements and responsibilities as found within the Covenants for this subdivision recorded in Reception No. \_\_\_\_\_, of the Office of the El Paso County Clerk and Recorder and the terms of the water court approved water augmentation plan.
