**RE:** Letter of Responsibility

Widefield Water and Sanitation District's Rolling Hills Booster Pump Station

Widefield Water and Sanitation District hereby tenders, and El Paso County, by and through the Board of County Commissioners of El Paso County, Colorado, hereby accepts his Letter of Responsibility as surety for the project described below as provided for in the El Paso County Engineering Criteria Manual, Section 5.2.8.

Widefield Water and Sanitation District hereby assumes all financial responsibility for construction of the grading and erosion control required for the Rolling Hills Booster Pump Station project according to the Construction Drawings prepared by JDS Hydro Consultants, Inc. and submitted as part of this application. Widefield Water and Sanitation District agrees to require the contractor who is awarded the contract to construct and maintain the Erosion Control and Stormwater Quality Best Management Practices as required by the Construction Documents and obtain the required permits for this construction project. Widefield Water and Sanitation District agrees to require the contractor to repair any deficiencies documented by the El Paso County Development Services prior to preliminary acceptance of the construction work by El Paso County Development Services. This letter shall be in effect until final acceptance of the Rolling Hills Booster Pump Station project's grading and erosion control by El Paso County.

In the event that Widefield Water and Sanitation District fails to perform its obligations hereunder, El Paso County shall have the right to exercise all administrative equitable and legal remedies available to it.

WIDEFIELD WATER AND SANITATION DISTRICT

Robert Bannister, P.E.

**WWSD District Engineer**
