Re: Pavement Recommendations  
Trey Lane, South of Bent Grass Meadows Drive East  
El Paso County, Colorado

Dear Mr. Case:

As requested, Entech Engineering, Inc. reviewed the pavement sections provided in the "Pavement Recommendations" report prepared by Entech Engineering, Inc. for Bent Grass Meadows Drive East, Job No. 120291 dated April 12, 2013 to provide sections for Trey Lane.

Test Boring No. 5 in the above referenced report was drilled adjacent to the proposed section of Trey Lane. The original pavement sections and recommendations shown below are valid for the new section of Trey Lane.

Non-Residential Collector – Trey Lane

<u>Alternative</u>	<u>Asphalt (in)</u>	<u>Base Course (in)</u>
1. Asphalt Over Base Course	4.0*	8.0*
2 - Full Depth Asphalt	6.0*	---

\*Minimum required sections per the El Paso County Pavement Criteria

We trust that this has provided you with the information you required. If you have any questions or need additional information, please do not hesitate to contact us.

Respectfully Submitted,

ENTECH ENGINEERING, INC.
