CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 18-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat

recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.

8. Drainage fees in the amount of \$2,041.48 and bridge fees in the amount of \$158.20 for Black Squirrel Creek drainage basin (FOMO3600) shall be paid to El Paso County at the time of final plat recordation.
9. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.

NOTATIONS

1. Final plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.
2. Site grading or construction, other than installation or initial temporary control measures, may not commence until a Preconstruction Conference is held with the Planning and Community Development Department Inspections staff and a Construction Permit is issued by the Planning and Community Development Department.
3. Fees in lieu of park land dedication for the two lots (originally platted as Lots 3 and 4) were paid to El Paso County for the benefit of Regional Area 2 and Urban Area 2 at the time of plat recording of the Bridle Bit Ranch subdivision (Plat No. 5415). Therefore, no fees or land dedication will be required with the recording of the final plat.
4. Fees in lieu of school land dedication for the two lots were paid to El Paso County for the benefit of Academy School District No. 20 at the time of plat recording of the Bridle Bit Ranch subdivision (Plat No. 5415).
