WHEREAS, a public hearing was held by this Commission on December 16, 2021; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission Members during the hearing, this Commission finds as follows:

5. That the vacation and replat complies with the El Paso County Land Development Code and the original conditions of approval associated with the recorded plat.
6. No nonconforming lots are created and, in the case of existing nonconforming lots, the degree of nonconformity is not increased.

7. That the vacation and replat conforms to the required findings for a minor or major subdivision, whichever is applicable.
8. That a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. §30-28-133(6)(1)] and the requirements of Chapter 8 of the Land Development Code.
9. Where lots or parcels are subject to any Covenants, Conditions and Restrictions (CC&Rs) or other restrictions, the vacation and replat will not result in a conflict with the CC&Rs or other restrictions unless specifically approved by the Homeowners Association or controlling authority.
10. The vacation and replat is in general conformance with the goals, objectives, and policies of the Master Plan.
11. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations.
