

Black Forest Meadows  
17104 Goshawk Rd E  
Colorado Springs, CO 80908

The project lies within the Falcon Fire Protection District service area. The 133-square-mile fire district extends from Peyton Highway on the east to County Line Road on the north to Black Forest Road on the west and one mile north of Colorado Highway 94 on the south. The District serves more than 23,400 citizens, and protects almost 10,000 structures. Ninety-four percent of the structures within the District are residential and 6 percent are commercial buildings.

The following stations and equipment are maintained by the District:

**Station 1:** This is the primary staffed station for District 1. The new station provides reduced response times to the most populated areas that also generate the highest call volumes. Apparatus at Station 1 include:

- An engine
- A water tender (water truck)
- A brush truck
- An AMR ambulance
- A utility truck
- Battalion Chief Command vehicle

**Station 2:** Apparatus at Station 2 include:

- A 4-wheel drive engine
- A water tender
- A brush truck

**Station 3/Headquarters/Training Facility:** With the opening of Station 1, the Falcon Fire Department's building on Old Meridian Road becomes a true headquarters facility that includes administration functions such as human relations and payroll. It will continue to host monthly Falcon Fire Protection District Board meetings, and serve as the Department's primary classroom and training facility for emergency medical services, fire, hazardous materials and technical rescue disciplines. It also serves as the fleet maintenance and repair facility for minor work on apparatus and equipment.

Apparatus at Station 3 include:

- An engine
- A tender
- A utility truck
- A brush truck

**Station 4:** Falcon Fire Department's newest station is located on Capital Drive north of Constitution Avenue. It is the primary response station for areas along the Marksheffel corridor that are in the jurisdiction of the Falcon Fire Protection District. Groundbreaking for the station took place June 15, 2016 and the station became operational on May 13, 2017. The station has a Community Room and a First Aid room.

Falcon F.D. apparatus at Station 4 include:

- An engine
- A water tender

- A brush truck

**Station 6 (formally Station 3):** Apparatus at Station 6 include:

- A water tender
- A brush truck
