Subject: Flacon Field Residential Rezone, File # P217

Hello Ryan Howser,

The U.S. Fish and Wildlife Service (Service) has reviewed the documents associated with the Flacon Field Residential Rezone proposal in Falcon, CO. The Service has no concerns with this project resulting in impacts to species listed under the Endangered Species Act as candidate, proposed, threatened, or endangered.

We recommend that you review the Service's migratory bird guidance on avoiding and minimizing impacts, and our nationwide standard conservation measures.

We appreciate your efforts to ensure the conservation of threatened and endangered species. Thank you for contacting us and please let me know if you have any further questions.
