Commissioner Lucia-Treese moved that the following Resolution be adopted:

BEFORE THE PLANNING COMMISSION

WHEREAS, Meadowlake Development, LLC, did file an application with the El Paso County Planning and Community Development Department for an amendment of the El Paso County Zoning Map to rezone property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference from the PUD (Planned Unit Development) zoning district to the I-3 (Heavy Industrial) zoning district; and

WHEREAS, a public hearing was held by this Commission on August 18, 2022; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation, and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission Members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission.
2. Proper posting, publication and public notice was provided as required by law for the hearing before the Planning Commission.
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted and that all interested persons were heard at that hearing.
4. The application is in general conformance with the El Paso County Master Plan including applicable Small Area Plans or there has been a substantial change in the character of the neighborhood since the land was last zoned.
5. The proposed land use or zone district is compatible with existing and permitted land uses and zone districts in all directions.
6. The site is suitable for the intended use, including the ability to meet the standards as described in Chapter 5 of the Land Development Code, for the intended zone district.

7. The proposed land use does not permit the use of any area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor.
8. For the above-stated and other reasons, the proposed amendment of the El Paso County Zoning Map is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

NOW, THEREFORE, BE IT RESOLVED that the Planning Commission recommends that the petition of Meadowlake Development, LLC, for an amendment to the El Paso County Zoning Map to rezone property located in the unincorporated area of El Paso County from the PUD (Planned Unit Development) zoning district to the I-3 (Heavy Industrial) zoning district be approved by the Board of County Commissioners:
