Good Morning Ms. Dean,

My name is Paul Raymond, and I am an attorney representing Jeff and Stacie Werschky. Jeff and Stacie are the neighbors directly adjacent to the Grissom's to the West and are formally opposed to the Grissom's variance request for a variance, file number BOA244. We are planning to submit comments in opposition to the request by the end of the day today, and we are also planning to be present at the BOA special meeting on Monday to voice our concerns.

It is our belief that a number of letters in opposition to the variance request have also been submitted to the County, however, these items are not appearing on the EDARP file for the project. Can you confirm you have received these letters, and if so, is there a reason why they are not uploaded to the EDARP file? Thank you for your prompt attention to this matter.
