Hi Judy,
Per our most recent conversation, I have reviewed the documents you sent me and have met all required criteria for the permit approval for our storage (not a garage) shipping container. My contractor is in the process of resubmitting the plans for review correcting the wording. We should now be approved for a permit.

Thanks,
Angela Gaudet

Hi Angela,

Per our conversation, please find enclosed for your review a copy of the recorded El Paso County Board of County Commissioners Resolution No. 19-450 Approval of Amendment To The Land Development Code (LDC-19-008) Shipping Container Amendments and a copy of the El Paso Land Development Code Section [5.2.47.5](#). Shipping Containers.

As discussed, the director of El Paso County Planning and Community Development requires a written statement from applicants requesting Conex/shipping containers stating they will meet required criteria from aforementioned document enclosures for permit approval from El Paso County Planning and Community Development.

Please respond with your written acknowledgment and agreement with document enclosures for your garage-Conex located at 18840 Sweet Road upon receipt of this email correspondence.

Thank you.

Best regards,

Judy Espinoza
