

# Premium Sites - Elevation Plans

Premium Sites will include a front deck in front of the main platform with stairs descending to the parking spot. The back of the tent opens to a flagstone slab with bath and private hot tub. Landscaping and privacy fence will shelter the semi-outdoor bathroom.

The bathroom will be a landscaped slab with plumbing built in. The deck will run with the contour of the hillside. A stairwell will walk to the front deck from the parking spot.

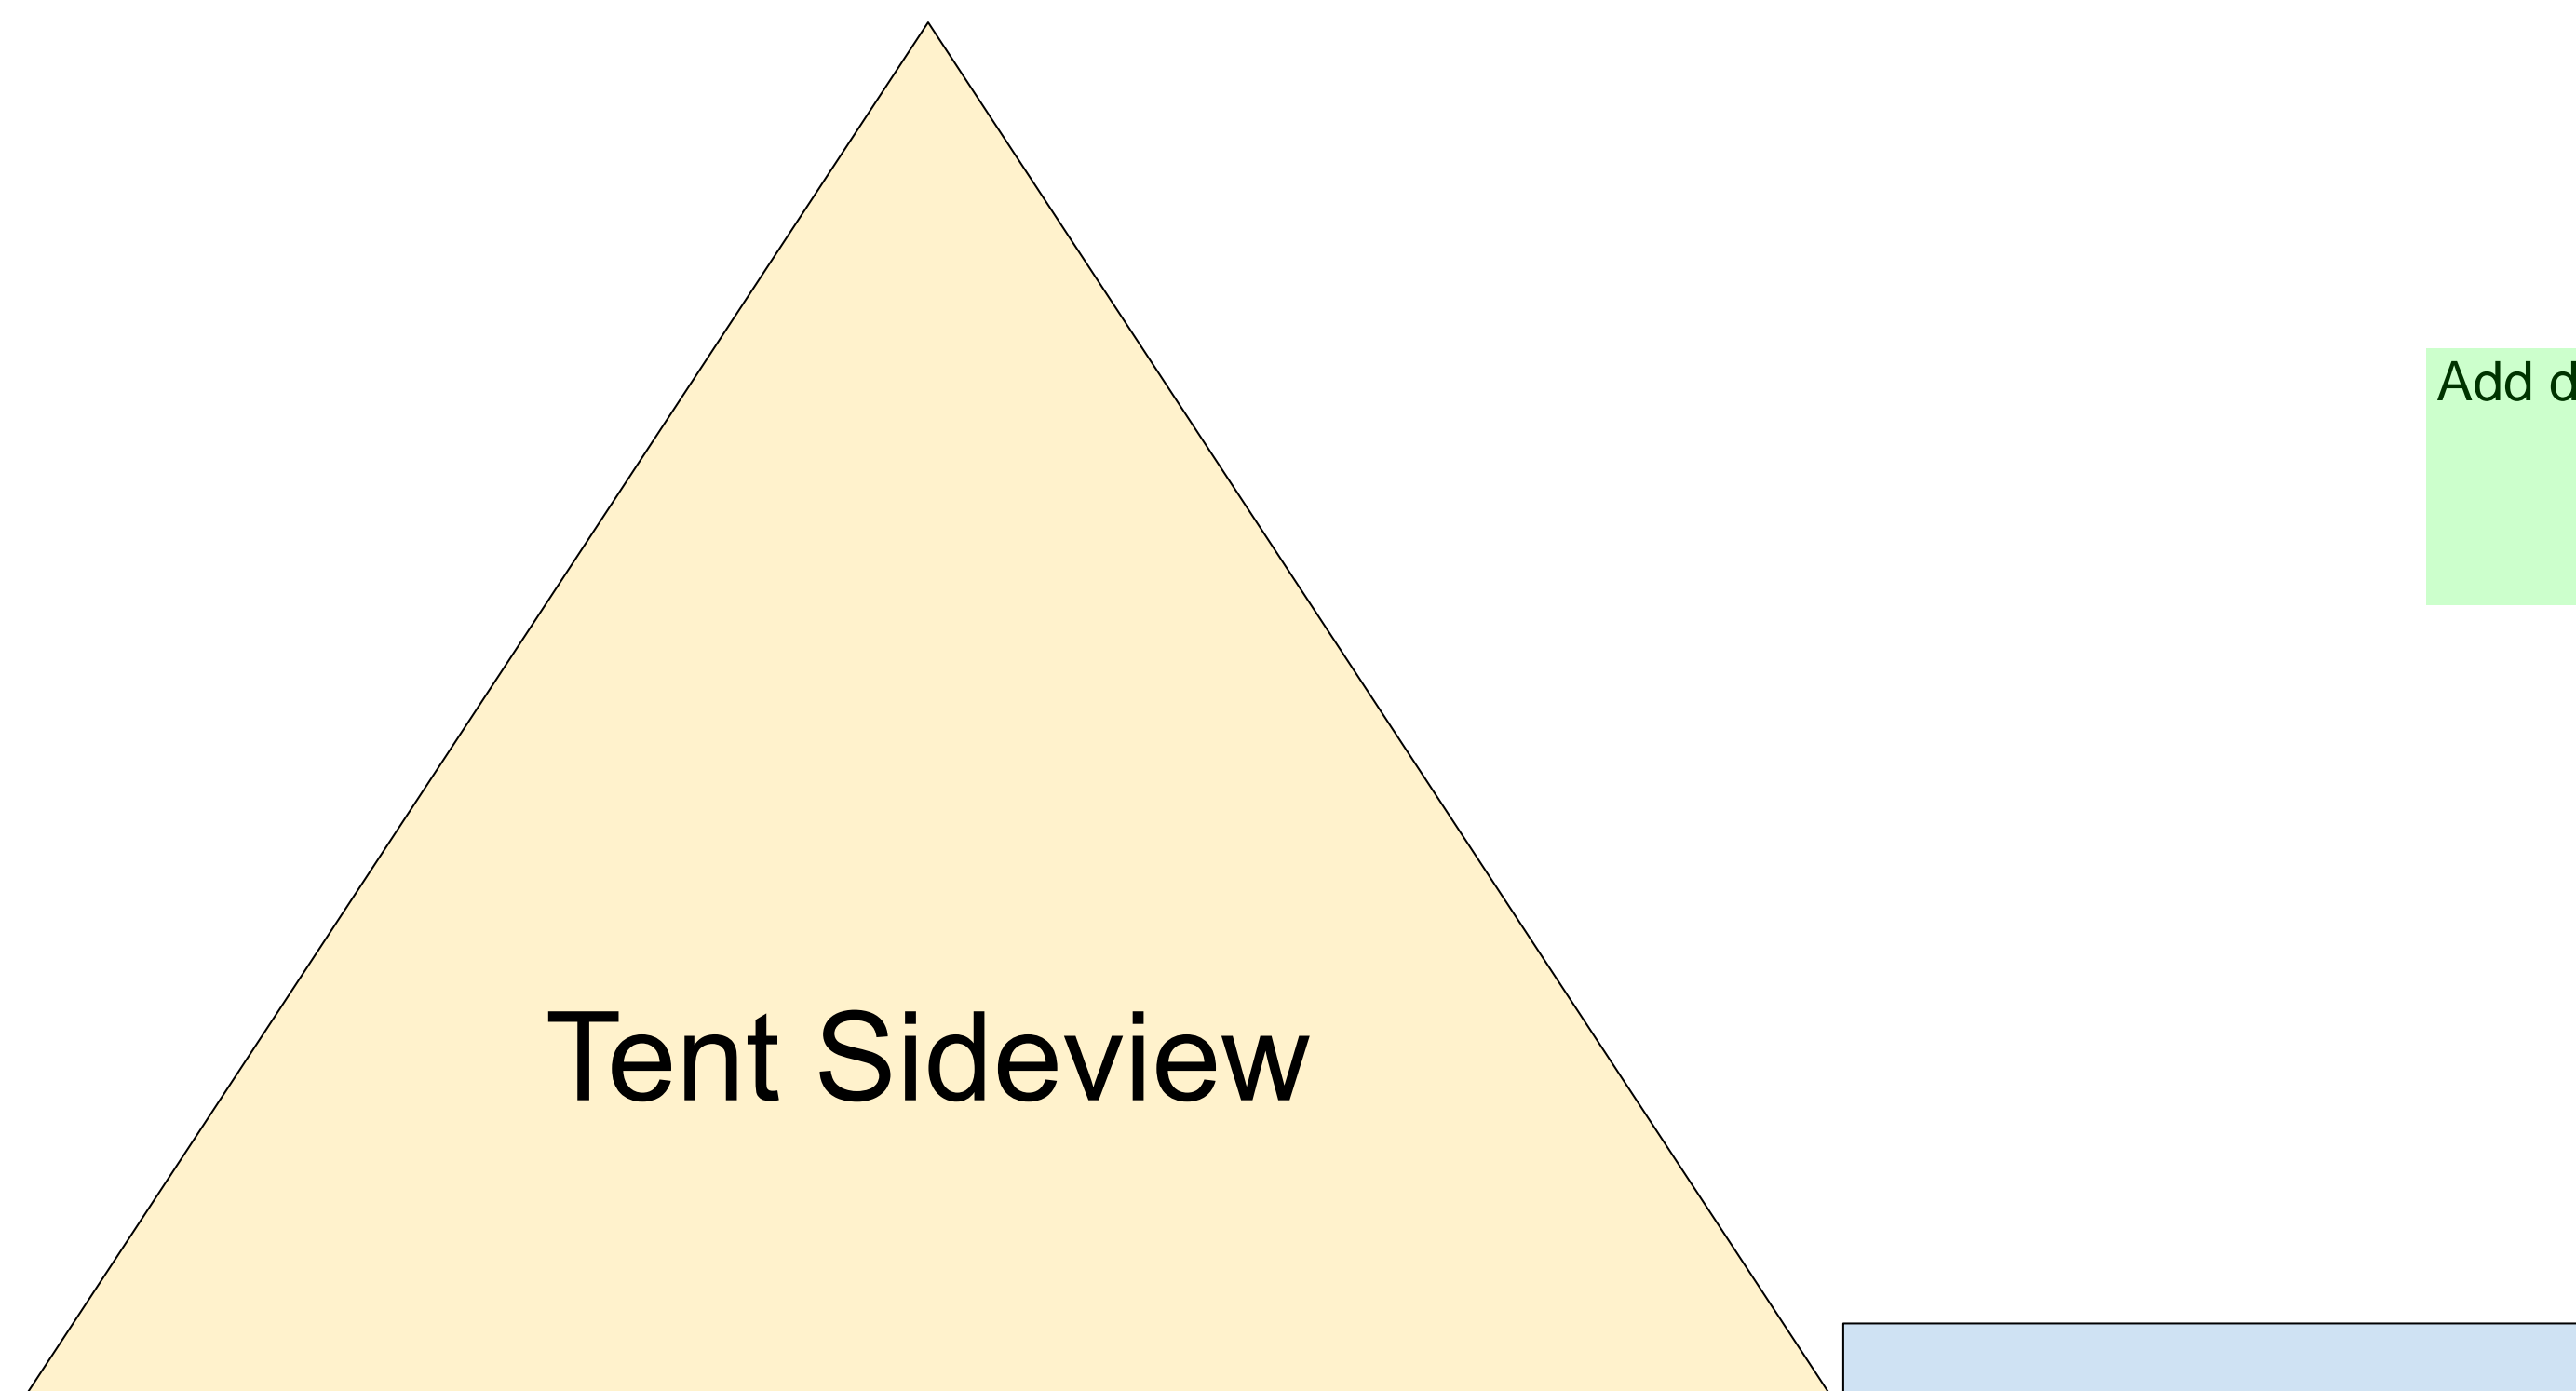

# Off-grid Sites - Elevation Plans

Off-grid Sites will be placed on the ground with a platform off the front door. A mounted solar panel will provide electricity.

Add dimensions for the tent, deck railing and privacy wall

Add dimensions for the tent

The Off-grid sites will be placed on a landscaped slab of gravel rock. The deck will be a small 6x4 floating deck in front of the zipper door.
