

Premium Sites - Floor Plans

Premium Sites will include a front deck in front of the main platform with stairs decending to the parking spot. The tent and the back patio will be a raised bed with landscaping timbers. Site 1 will include an ADA Compliant toilet and shower, and Sites 2 and 3 will share a bathhouse of two private toilets, showers and sinks.

Parking

Premium Sites - Elevation Plans

Premium Sites will include a front deck in front of the main platform with stairs decending to the parking spot. The tent and the back patio will be a raised bed with landscaping timbers. Site 1 will include an ADA Compliant toilet and shower, and Sites 2 and 3 will share a bathhouse of two private toilets, showers and sinks.

The privacy room and tent will be on a raised bed with the deck off the front. The deck will run with the contour of the hillside. A stairwell will walk to the front deck from the parking spot.

Off-grid Sites will be placed on the ground with a platform off the front door. A mounted solar panel will provide electricity.

6x4 Floating Deck

16x16 Bell Tent

Off-grid Sites - Elevation Plans

Off-grid Sites will be placed on the ground with a platform off the front door. A mounted solar panel will provide electricity.

The Off-grid sites will be placed on a landscaped slab of gravel rock. The deck will be a small 6x4 floating deck in front of the zipper door.
