Good morning,

I wanted to check in on this project. It has been many months since we have heard from you and I wanted to reach out to find out if you wish to continue with this project or if you have changed your mind and wish to withdraw your application. I have re-sent the submittal request in case you want to keep moving forward.

Thanks,
Lindsay

WE NEED YOUR INPUT: The County is in the process of drafting a new Master Plan for the long term future of our community and are seeking you input regarding the proposed placetypes via a questionnaire. Placetypes are used to help define different areas of the County based on development type, shared neighborhood character, and other natural features. Please watch a the short educational video on the draft Placetypes and fill out the questionnaire which can be found here:
