RE: PCD File No. TWR-21-014
Application for CMRS Co-Location Agreement
Dish Wireless Co-Location DNDEN00248A
Site Address: 12825 Judge Orr Road

To Whom It May Concern:

Please accept this application for CMRS Co-Location Agreement for subject Dish Wireless co-location on the existing cell tower at subject address, parcel number 4305006003. This tower is owned by Crown Castle, 2000 Corporate Drive, Canonsburg, PA 15317 (877-486-9377 / Andrew.Magoon@crowncastle.com). The property is zoned "M" Industrial.

Dish is installing (3) new antennas on new platform mount on the existing monopole tower. On the ground, they are installing a new equipment platform with cabinets and associated equipment within the existing fenced tower compound. This installation for Dish is part of a nationwide build-out of their new wireless network, and this location is essential to ensuring coverage in the region.

This co-location will not result in any substantial change to the existing CMRS facility. There will not be an increase in height of the tower, there will not be more than the standard number of new equipment cabinets, there is no work outside the current site, and there are no proposed changes that would defeat any existing concealment efforts. The proposed use will not adversely impact adjacent properties or existing drainage conditions.

A Work in the Right-of-Way Permit from the El Paso County Department of Public Works is required for the installation of utilities in county ROW.

Please contact me if you have any questions or concerns.

Thank you,
