Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- **El Paso County Public Health has no issue with the requested zone change from the current RR5 to RR2.5 zoning provided there is compliance with the content of the two comments below.**
- **Future structures and the existing residence constructed the original Lot 10 must meet all Onsite Wastewater Treatment System (OWTS) Regulations. This includes the setbacks of the existing OWTS to any existing or new property line.**
- **Individual private wells must meet the minimum setback requirements from OWTS components as required by the Onsite Wastewater Treatment System (OWTS) Regulations within Chapter 8 of the El Paso County Board of Health Regulations.**
