Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.
5. Drainage fees in the amount of \$119,547.00 and bridge fee in the amount of \$17,968.00 for Teachout Creek drainage basin (FOMO4800) shall be to El Paso County at the time of final plat recordation.

9. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assigns that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the Countywide Transportation Improvement Fee Resolution (Resolution 19-471), as amended, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
  
10. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
  
11. All unresolved engineering comments shall be resolved, and all engineering documents shall be approved prior to the Board of County Commissioner hearing on the proposed final plat.
