Dear Mr. Kendall:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Widefield PK-8 School

Project Number: PPR 1826

Description: Widefield School District is proposing a new preschool / kindergarten through 8th grade school to be located at 11060 Fontaine Blvd. The two story school building is to be located on an approximately 25 acre lot on the northwest corner of Fontaine Boulevard and Lamprey Drive. This site is also known to be in Section 13, Township 15 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this parcel according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA will work with the developer to acquire utility easements to serve this new school site after a review of civil drawings with grading and erosion plan is provided. MVEA has existing facilities near this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
