---

Rolling Hills Ranch Estates Filing No. 3 project is located within the Ellicott Fire Protection District. This project is a residential development, proposing 1 single family residence on a 9.72 acre lot located off S. Page Road south of Hwy 94, approximately 7 miles west of Ellicott Fire Station #1.

The Ellicott Fire Protection District, founded in 1984, covers 276 square miles in El Paso County. The borders extend from Hwy E CO-100 on the north to ½ mile south of Drennan Rd. on the south, as far as 1 mile west of Curtis Rd on the west and as far as 1.5 miles east of Bullseye Auxillary Field on the east. This fire district protects an approximate total market value of \$58 million.

The stations and apparatus consists of the following:
