Val,

Per our conversation on 05/15/2023 the Security Fire Department Surety is coming up on its bond renewal and you would like to reduce it to the defect warranty amount of \$9,490.60. El Paso County is ok receiving a rider for the original bond reducing it to the defect warranty amount of \$9,490.60 prior to the BoCC officially reducing the bond, knowing that a preliminary acceptance inspection will happen the week of 05/22/2023 and any punch list items will be addressed in a timely manner. A BoCC reduction will happen at a later date to officially reduce the bond to the defect warranty amount.

Thank you.
