Please accept the following updated comments from El Paso County Public Health (EPCPH) regarding the sketch plan referenced above:

- No issues noted by El Paso County Public Health with the sketch plan amendment.
- Water service planned for the development will be provided by Widefield Water and Sanitation District (CO0121900). There is a finding for sufficiency in terms of water quality for Widefield Water and Sanitation District.
- Wastewater service to be provided by Widefield Water and Sanitation District.
- El Paso County Public Health encourages planned walkability of residential communities. Please consider appropriate connections to commercial areas using sidewalks, and bike trails. Walkability features help reduce obesity and associated heart diseases.
- Earthmoving activities greater than 25 acres require a Construction Activity Permit from the Colorado Department of Public Health and Environment, Air Pollution Control Division. Go to:
