Dear Lacey:

In reference to your correspondence dated 10/9/24, file number TWR2413, parcel number 6524106023, a request by Carrie Ann Powell of AnSCO & Associates, LLC, described as "AT&T is proposing to swap antennas and associated equipment on existing Wireless Communication Facility. The proposed equipment will be located behind the existing concealment panels and will not be visible. This will not be a substantial change and there will be no increase to the height of the tower, or to the size of the lease compound", on 12.32 acres. Widefield School District #3 has no objections to this project. If you have further questions please feel free to contact me at [gishd@wsd3.org](mailto:gishd@wsd3.org) 719-391-3531.
